

Bookings for Sunday Morning Gatherings

We re-opened the Inshes Church Building for our Sunday Gatherings on **Sunday September 13th at 10.30am**. As per Government instructions, we can only accommodate 50 people in total in the building on the day and therefore as we indicated earlier, this & future Sunday Gatherings will be livestreamed on our YouTube channel and through our website so that those who cannot be present in person, will be able to watch it live at home from 10.30am.

We really want people to come but we also want people to be aware of what they are coming to and of medical advice relating to any health risk involved in coming. In regard to such risk, the Church of Scotland has put together an Assessment 'Tool' which you can read/download [here](#), and which may help people in thinking through the issues involved for them. We would encourage people to have a look at this before booking.

Those who wish to attend will have to book their place in advance. To book a seat please contact Doris in the church Office 01463 226727 or email office@insheschurch.org. You can book during office hours from Monday 9am to Friday 4pm prior to each Sunday. If we are oversubscribed those whom we are unable to offer a place for the immediate Sunday will be given first priority for the following Sunday, unless they do not wish it.

- If allocated a seat, please come early as there may be queuing inside and out.
- Your household will be allocated seats together and 2m from others
- Signage will be in place and Welcomers will direct you to your allocated seat(s) and the toilet.
- Hand sanitizer and the Accessible toilet will be available
- Wearing a face covering is compulsory
- The doors may be open to aid ventilation, so please dress appropriately
- There will be no congregational singing (though we would intend to play hymns/songs to listen to)
- We won't uplift an offering
- There will be no Truthtrackers or creche available (though the gatherings will take account of children present)
- There will be no tea/coffee etc served – please bring own water if needed
- We are required to keep a register, for a period of 21 days, of those who attend to support contact tracing as part of NHS Scotland's Test and Protect programme

If anything is not clear or you have any other queries of any kind, please do not hesitate to contact Doris in the church Office 01463 226727 or email office@insheschurch.org
