## ARDERSIER AND PETTY

Thank God for the way His Spirit is moving in Ardersier and Petty Churches, for the blessings they have already experienced, and the warmth of the welcome of these church families. Give thanks for the dedication and commitment of those in leadership and pray for protection around them. Also give thanks for those who have stepped forward realising they are valuable parts in the body of Christ. Pray that even more people step forward with confidence that the Lord equips those He calls. Ask for the congregations to have more opportunities to take the Lord's light and love into their communities, and pray for guidance as they look forward into union with the Barn Church.

Pray for Ardersier's Sunday school which hopes to be able to restart in some form. Pray for some more helpers to come forward from the community.

## DORES & BOLESKINE

Give thanks for services and gathering getting back to normal. Thanks also that although there is still some sense of loss with Dores Church closing, there is unity and a growing sense of belonging together at Boleskine. Give thanks that folk seem to be happy with the Presbytery plan.

Pray that a sense of being one congregation together would grow and that there will be people to take on the work that would be good to do. Ask for opportunities to reach out to people in the parish who would not be at church and for God's guiding in this.

Seek God's protection from those in the area who are set against Jesus and who would advance ways that are against God's kingdom.
