- **Pray for wisdom and God's will as the team negotiate the various practicalities and challenges associated with Union Court premises.**
- **Pray for sufficient finance to fit out whatever property the project secures.**
- **Pray the open door project will be a safe place where people can learn and experience the values of the Christian Faith through coming into the bookshop, and receiving help and support**
- **Pray for wisdom and energy for the Trustees and those involved in the various working groups and committees as they seek to progress on actions to move the project forward**
- **Give thanks to God for the way He is working (even if we cannot see it) to bring about the fulfilment of the vision of the project**
- **Pray that the project will have at it's heart mission and that people will come to know Jesus through the work of the project**
